#### **General Principles**

As an organisation using the Disclosure and Barring (DBS) service to help assess the suitability of applicants for positions of trust, Kippax Parish Council complies fully with the DBS Code of Practice regarding the correct handling, use, storage, retention and disposal of Disclosures and Disclosures information. It also complies fully with its obligations under the Data Protection Act 1998 and other relevant legislation pertaining to the safe handling, use, storage, retention and disposal of Disclosure Information and has a written policy on these matters, which is available to those who wish to see it on request.

#### **Storage and Access**

Disclosure information is never kept on an applicant's personal file and is always kept separately and securely, in lockable, non-portable, storage containers with access strictly controlled and limited to those who are entitled to see it as part of their duties.

#### **Handling**

In accordance with S.124 of the Police Act 1997, Disclosure Information is only passed to those who are authorised to receive it in the course of their duties. We maintain a record of all those to whom Disclosures or Disclosure information has been revealed and we recognise that it is a **criminal offence** to pass this information to anyone who is not entitled to receive it.

#### **Usage**

Disclosure information is only used for the specific purpose for which it was requested and for which the applicant's full consent has been given

## **Retention**

Once a recruitment (or other relevant) decision has been made, we do not keep Disclosure information for any longer than is necessary. This is generally for a period of up to six months, to allow for the consideration and resolution of any disputes or complaints. If, in very exceptional circumstances, it is considered necessary to keep Disclosure information for longer than six months, we will consult the DBS about this and will give full consideration to the Data Protection and Human Rights of the individual before doing so. Throughout this time, the usual conditions regarding safe storage and strictly controlled access will prevail.

The only exceptions allowed by the DBS are as follows:

- For establishments regulated by the commission for Social Care Inspection (CSCI) the disclosures must be destroyed after 12 months
- For staff employed in residential schools disclosures must be destroyed after 12 month
- For disclosures relating to fostering or adoption, disclosures must be destroyed after 36 months

## **Disposal**

Once the retention period has elapsed, we will ensure that any Disclosure information is immediately destroyed by secure means, ie by shredding, pulping or burning. While awaiting destruction, Disclosure information will not be kept in any insecure receptacle (e.g. waste bin or confidential sack). We will not keep any photocopy or other image of the Disclosure or any copy or representation of the contents of a Disclosure. However, notwithstanding the above, we may keep a record of the date of issue of a Disclosure, the name of the subject, the type of Disclosure requested, the position for which the Disclosure was requested, the unique reference of the Disclosure and the details of the recruitment decision taken.
