

Kippax Parish Council

Scheme of Delegated Powers

Approved: 16th May 2024

Minute Reference: 006/FC/2425a

Review Date: May 2025

M Eyre

Chairman, Councillor Martin Eyre

1.0 Introduction:

This document sets out the manner in which Kippax Parish Council has delegated powers and responsibilities. This document is supported by Kippax Parish Council Standing Orders, Financial Regulations and the Terms of Reference for each committee.

The intention of the delegation scheme is to allow the Council to act with all reasonable speed.

2.0 Principles of the delegation

2.1. The power to delegate powers is defined in Section 101 of the Local Government Act 1972:

- A council may delegate its powers (except those incapable of delegation) to a committee; or an officer.
- A Committee may delegate its power to an officer
- The delegating body may exercise Powers that have been delegated

2.2. Any delegation to a Committee or the Proper Officer shall be exercised in compliance with the Council's Standing Orders, Financial Regulations, any other policies or conditions imposed by the Council and with the law

2.3. Action taken by committees should be properly documented in the minutes of the meeting. Any action taken by the Proper Officer under delegated powers should be reported back to the relevant committee or full council at the earliest opportunity.

3.0 Emergency Powers

- 3.1. In an emergency, the Proper Officer is empowered to carry out any function of the council. Where the Parish Clerk is contemplating any action under delegated powers, which is likely to have a significant impact in a particular area, they should also consult the Chairman and Vice-Chairman of the Council and must ensure that they obtain appropriate legal, financial and other specialist advice before action is taken.
- 3.2. Before exercising the delegated powers granted by paragraph 3.1 above, those Members consulted shall consider whether the matter is of sufficient interest to justify the summoning of an Extraordinary Meeting of the appropriate Committee
- 3.3. An 'emergency' includes, but is not limited to:
- Processing a payment to prevent the council from receiving a fine or charge for late payment
 - Taking action to ensure the health and safety of an employee, volunteer or member of the public
 - Taking action to address any issue that puts the council at risk of not complying with the law
 - Taking action to protect the reputation of the council
- 3.4. All action taken by the Proper Officer in an emergency situation should be reported back to the full council at the earliest opportunity with justification as to the urgency

4.0 Authority to Act

- 4.1. It will be appropriate for the Parish Clerk and Committees to refer a matter to the Council where the determination of the matter is likely to be particularly controversial or raises issues of policy which it would be appropriate for councillors to determine; or could, by its scale or complexity expose the Council to major corporate risk.
- 4.2. The Parish Clerk and Committees have the responsibility to act within the Councils approved policies, procedures and framework and within the law in conjunction with this delegated scheme.

5.0 Conflicts of Interest

- 5.1. Under the Local Government Act 1972, section 117, the Parish Clerk must make a formal declaration about council contacts where they have a financial interest.
- 5.2. Where the Parish Clerk has a conflict of interest in any matter, they shall not participate in that matter unless approved by the Council and this is formally recorded in the Council minutes.

6.0 Council Reserved Powers

6.1. The following matters are only to be resolved by the full council:

- Appointment of the Parish Clerk/RFO following a recommendation from the Personnel Committee
- To adopt or change the Standing Orders, Financial Regulations, Scheme of Delegation and other Council Policies
- To approve and adopt the Budget and the Precept
- To agree and/or amend the terms of reference for Committees and appoint members to committees
- To determine matters involving expenditure for which budget provision is not made or is exceeded
- To make byelaws
- To borrow money
- To annually approve the statutory annual return and annual accounts
- To approve eligibility for the General Power of Competence

7.0 Delegation Safeguards

7.1. The Council may, at any time without prejudice to executive action taken already, revoke any executive power delegated to a Committee or Officer.
