It is considered good practice to hold public sessions in which the public are invited to participate and where appropriate the council will aim to facilitate public sessions.

For committees and sub-committees, the Terms of Reference will stipulate whether a Public Session should be included on the agenda.

3. If you wish to speak during the Public Session, please raise your hand and the Chair will come to you when there is an appropriate point in the session.
4. Good manners and respect are expected towards councillors, officers, employees and other members of the public during the session. Failure to show manners and respect may result in the Chair asking you to leave the meeting in accordance with the council's Standing Orders.
5. Members of the public should only raise issues that are within the councils, or the committees or sub-committees remit.

6. Complaints concerning the administration of the council, a councillor or council employee are not permitted during Public Sessions. Complaints should be addressed via the council's complaints procedure which is available on the website or via a request to the Clerk.
7. It is at the Chair's discretion whether questions raised will be answered at the meeting or dealt with after the meeting by written response to the enquirer.
8. Detailed issues must be put in writing and submitted to the Clerk to allow for the appropriate response to be provided or action taken.
9. The council cannot take a decision on any issue raised at public sessions unless the issue is specified on the agenda of the council meeting or the Clerk has been given delegated powers to deal with it in an emergency situation.
10. Where possible, the council will inform members of the public if the meeting is being filmed or audio recorded by the council, however members of the public should be aware that other members of the public may be filming or audio recording
