

Kippax Parish Council Publication Scheme

Approved: 209c/2021

Chairman, Councillor Martin Eyre

This policy details the information which Kippax Parish Council aims to make readily available under the ICO model publication scheme.

Kippax Parish Council aims to make as much information available, except in the case that:

- It does not hold the information
- The information is exempt under one of the FOIA exemptions or Environmental Information Regulations exceptions, or its release is prohibited by another statute
- The information is readily and publicly available from an external website.
- The information is archived, out of date or otherwise inaccessible
- It would be impractical or resource-intensive to prepare the material for routine release

This document should be read alongside Kippax Parish Council's:

- Freedom of Information Policy
- Vexatious Request Policy
- Record Management Policy

Information will ideally be requested in an electronic format, or directly via the website for which there is no charge. For hard copies, printing and postage costs will be incurred, details of which can be found at the end of the policy. Some information will only be available by inspection only and inspection will need to be arranged with the Parish Clerk.

All requests for information should be made to the Parish Clerk: clerk@kippax-pc.gov.uk
